# Multiplication in 29:11

## Employees

*We went from two part-time employees to five - 3 full time and 2 quarter time. We each have deep passion for the Lord and for the hurting.*

*The last 6 months have been significant as we learn how to work as a team.*

*I am growing how to lead leaders like never before.*

*God is preparing us for big harvest.*

## Escape 2017 - south and north

*God keeps bringing new girls to 'Escape-from pain to hope". It is striking to me that 99% of them are there for the first time! The message about God's desire to heal is spreading all over Poland!*

*This year we reached 200 girls.*

*We trained 22 volunteers*

*We worked with 75 leaders*

**Professions of faith: 66% in the south and 41% in the north**

"The weekend showed me how to move from the place where I have been stuck for a long time - place of unforgiveness, wounds, low self-esteem, lack of relationship with God and bad relationships with people"

---

## Leaders Training "The Hear of Daughter"

*We had 35 ladies attend the training. Every one of them was deeply touched and transformed by the Father. Now, they are eager to apply it in their local churches. One leader called me on her own and asked:*

*'Can I lead people in my church using the materials? The pastor never agrees to anything but he wants to do the "Heart of a Daughter and Son'*

# **Multiplication in 2018**

## **Escape # 3 - Central Poland**

*Starting in 2018, there will be 3 weekends of Escape a year!*

*We are adding one in Central Poland, close to Warsaw, the capital city! Pray with us for God to open doors to key partnering churches, schools and universities*

## 29:11 Missionary

*Maja, my amazing and Spirit led employee has decided to become a 29:11 missionary with Josiah Venture. This is a huge step of faith as she has to raise support. We are praying for 80% of her support to come from Poland. This is BOLD Faith for us since most nationals get max 20% from their home countries.*

*Please pray for God to lead her in this journey and for me to know how to support her.*

## Be the fuel of the multiplication

*We praise God for his faithfulness in our financial needs!*

*All these years he has provided exactly how much we needed. This year's budget is the biggest step of faith for me. I need to raise almost \$70 000.*
