

MINISTRY TO THE MILITARY

November War Room

Debriefing the current status and strategic planning

Sharing the gospel and our lives
with the military community

NEW BEGINNINGS!

Brandi and I continue to be amazed at God's continued work through us and Cadence. For many years, Cadence has been working on establishing a Hospitality House for Buckley Air Force Base in Aurora, Colorado. For a variety of

reasons that has not been able to be accomplished. At this current time, we have two Chaplains on base that are excited about the possibility of opening up a house as well as a ministry on base. Please keep this in prayer as we have a great opportunity to establish these new ministries.

HR RETREAT

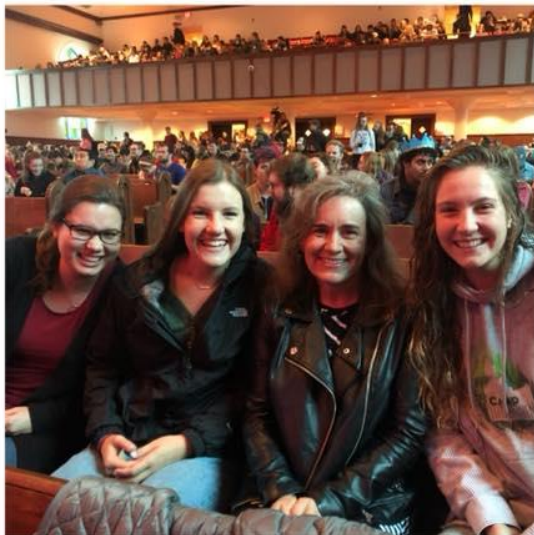

This month I had the privilege of participating in our annual Human Resources retreat. We were able to look at the future vision and goals of Cadence, our team, as well as how we work together to accomplish all that God has called us to. Our time in the mountains was beautiful and a wonderful time together celebrating God and all He is doing.

GROWING FORCE

Last month we wrapped up our latest candidacy and we currently have an additional three to five new missionary couples interested in joining us for our February candidacy. Please be in prayer for these couples as well as additional couples to join God in His calling to reach the military communities.

Below is a photo from our recruiting at John Brown University. Our mobilization team is doing great. We are thankful for their hard work and God's provision.

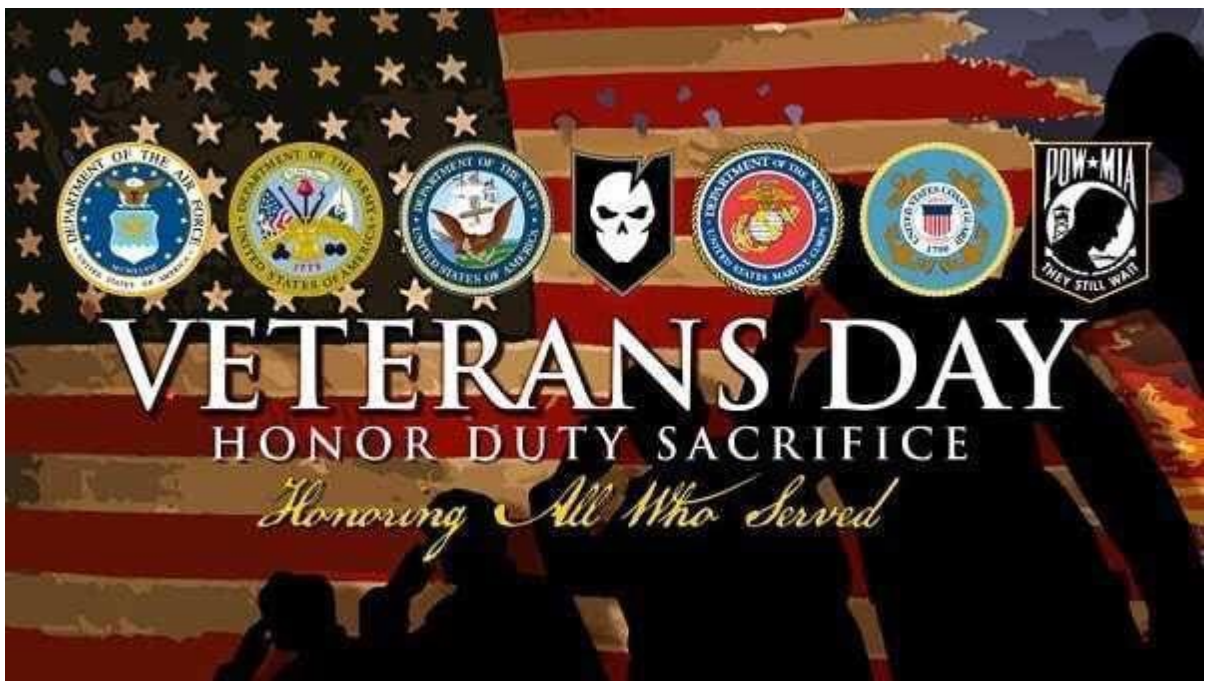

TEAM AKINS

Big News! This month we have been officially released to start full-time as missionaries starting January 1, 2019. We are thrilled and in great anticipation as we jump in and fully engage in our responsibilities. We continue to grow in our support and are now up to 65% with 54 supporters and 133 prayer partnerships. Thank you to all that have joined us and are a part of what God is doing.

We are continuing to seek the Lord's provision and additional partnerships. Several of you have indicated that you are praying about how the Lord is leading you to join us and others of you we have not had a chance to connect with. We are doing all we can to be fully funded by Christmas... only 35% to go. With Thanksgiving and Christmas approaching, we know that it may be difficult to schedule time together before the new year. We will be continuing to meet with people and hope to bring as many of you onto Team Akins as we can and further the impact being made by the Lord.

As we reflect back on celebrating Veterans Day this month, please consider honoring the military past, present, and future and give them the hope of Jesus Christ in their greatest times of need.

PRAYERS

We would love to pray for you. Please send us a note and we commit to lifting your praises and requests to God.

We would also love your prayers for us. As we continue to meet with people and churches, please pray that God would lead team members to join us. God has been so good to us over the past few months of building Team Akins. We continue to pray that we are fully funded by Christmas, if not sooner.

We also ask for prayer for my (Travis) Dad, Clark. On Sunday, Sept 16, he suffered a heart attack. On Tuesday, Sept 18, he underwent triple bypass surgery. After his surgery, he suffered significant cognitive complications.

Update: After visiting with a neurologist on October 29th, it was determined that my Dad had three strokes. He is at home now and is slowly improving with the help of physical, occupational, and speech therapy. It will be a slow recovery but we are praying for a complete recovery. Please continue to keep my mom (Kathy) and my dad in your prayers.
