

As 2018 comes to an end we would like to share with you our joy as we reflect on what God did this year, we are amazed at the many opportunities God gave us to serve Him in Costa Rica and in Latin America. **Mission Hills Church** helped make all of this possible! Thank you so much for your faithful prayers, support, and care for our ministry and our family!

These are some of the things we are thankful for in 2018:

- **Mission Hills Summer Project on July, One on One evangelism on Campus, 200** students and professors heard the Gospel in our July project in an University in the South of Costa Rica, **82 of them started a personal relationship with Jesus!**
 - **Counseling to couples and individuals** in Costa Rica who are going through hard situations and a lot of pain (Carlos is a licensed Psychologist).
 - **Bible teaching and coaching** in Costa Rica and Ecuador (Carlos has been teaching missionaries the Bible, how to study it and how to teach it to others).
 - **Women discipleship** groups, through Bible principles these women learn: how valuable they are to God, how to have a personal relationship with Jesus, and what is God's mission for their lives. Though these groups many women's lives were transformed this year!
 - **Counseling Christian missionaries in Latin American countries.** Carlos had many opportunities to counsel missionaries in Puerto Rico (who faced hurricane devastation and loss), Nicaragua (who are facing government persecution), Venezuela (who live under government oppression and scarcity) and Costa Rica.
 - **Partnerships** with other organizations to expand God's Kingdom
- ***Jesus Film project for children**, as part of their Board of Directors, we support the work of sharing of the Gospel and discipleship in the public schools of Costa Rica and other Latin America countries (we have to seize the moment while we are still allowed in the schools!).
- ***Bible Society.** We help in their Board of directors finding ways to maximize Bible distribution and teaching, Bible training for pastors, efficiency in their processes, etc.
 - ***Local churches,** we provide discipleship and tools for evangelism and discipleship.
 - ***Helping communities in need** providing food, clothes and funds to poor indigenous communities in Costa Rica and Panama.

We would also like to share with you **our plans for 2019:**

* In 2019 we are trusting God to allow us to keep serving Him and others in all of the areas we mentioned above and to provide us everything we need.

* We are also trusting Him with an amazing project to open "**50 schools for parents**" in the communities where the schools have opened their doors for the Jesus for children project. The school for parents consists in 8 sessions with the parents of the school, we will teach Bible principles to run their homes, exposing them to the transformation of the Gospel and God's word. Their kids have already heard the Gospel in school, most have welcome Jesus in their hearts and are receiving follow up (while in school, through this project), we now want to impact their entire family, which will result in a transformation of their communities. This project has a significant investment (\$59,000 USD for trainers, training materials, transportation, refreshments, for the 8 trainings in each of the 50 locations). Please help us pray that God will keep opening doors for this project to happen and that He will provide the funds needed to make this project a reality.

We would like to request your prayers for our family and our ministry in 2019, for apart from God we cannot do anything, we need His guidance, His power and His provision.

May the Lord continue to bless you and may you continue noticing His blessings.
Serving Him together,

Matthew 28:18-20. "Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."
