ABOUT MISSION WATCH

Mission Watch is committed to engaging prayer partners on a 24-hour, 7 day per week prayer vigil to uphold Mission Hills Church, its church body and community, including the Front Range Vision as well as worldwide ministry partners. Through this one-hour per week commitment you will play a critical role in watching over the church. You’ll also mature in your walk with the Lord as you take an intentional step to have a more active prayer life that seeks the throne of God.

During your hour-long prayer vigil, you will engage in a brief devotion, worship and reflection, and intercessory prayer for our elders, staff, campuses, and missionaries and weekly prayer requests. You will close your time in thanksgiving.
