

Tenorio's ministry update

March 2019. Cru Costa Rica.

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago"
Eph 2:10 NLT

A unique purpose

Each believer has a mission wherever God has placed him/her, a unique purpose given by God, a purpose that goes beyond the church's walls. We are learning how to connect better with the needs of the context in which God has placed us and also how to help others find that God-given mission. As part of that learning process Carlos participated in a conference in Orlando, Florida, along with 6000 Christian leaders, to learn from each other as we focus on serving our society through the plantation of missional communities. It is our prayer that you are living towards accomplishing the mission God has given you, please pray for us too.

Trusting God for lives changed by Him

It has been an exciting start of the school year here in Costa Rica! For the last several weeks we have had a group of students and missionaries from Korea and Mexico working with us at the 2 main universities of Costa Rica (UCR, TEC), meeting students, sharing with them the message of Jesus, and taking them through discipleship. We have been looking for those key students and professors who would embrace our vision to share the Gospel of Jesus on Campus and make disciples of Him wherever we go, so that more hear, so that more know Him, so that more lives are changed.

Serving ministries in Latin America

Tatiana also gets to serve the Lord using her gifts and training in administration and finances, helping the Cru ministries in Latin America. Next week she's in charge of training the finances staff of Cru Brazil, Argentina, Mexico, Ecuador, Colombia, El Salvador and Panama. Please pray for safe travels for the participants and for God to open their understanding; pray for wisdom, strength and good health for Tatiana and the team, and for this training to help the ministries in those countries be more efficient, equipped, organized and empowered to reach more for Christ.

Prayer requests:

- For our evangelism and discipleship efforts to produce lots of fruit in the universities of Costa Rica (changed lives and disciples committed with making disciples of Jesus).
- For next week's training to be a blessing for the participants and the ministries they represent.
- For the Lord to bring us to those leaders (university staff, teachers, students, parents, community leaders) who want to live out their mission and who are ready to be Jesus' ambassadors on Campus and on society.
- For the Lord to keep providing everything our ministry and our family needs.

Serving Him together,
