## QUESTIONS FROM MISTER CRICKET

1. Who were the unkind characters in today's fire fable?
2. How were they unkind? Think of some specific examples from today's fable.
3. Have you ever been unkind to someone?
4. How did it make you feel when you realized you had acted unkindly?
5. If you were going to become more kind, what would you need to do differently? Think of things that you can start doing today.
6. Open your Bible to Psalm 37:28 and read it together. The Hebrew word for "godly" is **chasid**, which means, "kind". Do you think a person can be godly without being kind?
