QUESTIONS FROM MISTER CRICKET

1. Open your Bible and read Proverbs 6:16-19 together. Lying makes this list twice! Why do you think truth is so important to God?
2. Mr. Cricket loves Zeke and would do anything for him. So, why do you think it was hard for Zeke to tell him the truth about eating the pie?
3. Dilly Brown also told a lie when he took his brother's mittens. As the story went along, there were some terrible consequences to Dilly's dishonesty. Can you name some of them?
4. Whenever we lie, it's important to admit what we have done, ask forgiveness, and learn from it. Can you think of a time when you lied? Why did you do it? And what were the consequences?
