200 heard the Gospel!

The first week of July, we had the visit of a missions team of 6 people, together, and with the help of some of our staff and volunteers we visited the UCR (University of Costa Rica) and University UISIL (new Campus) to talk with students and professors and to share with them the Gospel and our testimonies of what God has done in our lives. In the UISIL we were allowed to give talks on ethics, innovation and professional excellence to the students and staff, during each talk, the speakers explained how God played a significant role in their careers and life. At the end, Carlos would wrap up the topic with a presentation of the Gospel. Near 200 college students and staff heard Gospel in less than a week!, 5 of them prayed to receive Jesus and 2 recommitted their lives to the Lord! The seed was planted in many, please pray it will bear much fruit!

A very encouraging visit

We visited Colorado to connect with our partners there and to attend the Cru USA staff conference. We gave our partners a report of what God is doing through our ministry in Costa Rica, so that we could glorify God together. We met with friends who have faithfully partnered with us for weeks, months, years and even decades, they have walked alongside with us in spite of the many miles between us and in spite of life difficulties such as cancer, death of spouses, sickness and financial struggles; oh, how grateful we are for them!, they make so real what Proverbs 17:17 says about a friend being like a brother. We are also grateful for the new people we met and for new friends. During our time in Colorado we felt so loved, cared for and encouraged, we come back home physically tired, but emotionally and spiritually refreshed.

Our calling

We would like to share with you our take away from the Cru US staff Conference, which is our personal calling as well: **“our ministry exists to help fulfill the Great Commission (Matthew 28:18-20), by winning, building and sending; in the power of the Holy Spirit; and helping the body of Christ through discipleship and evangelism”**. Jesus is the center of all, and our #1 goal as individuals and as an organization is to love God and to love others.

Prayer requests

Your prayers mean a lot to us!, please pray with us for:

- ▶ For the Lord to keep working in the hearts of the 200+ college students, professors and staff who heard the Gospel last month, for the planted seed to produce much fruit.
- ▶ For the Lord to open doors and provide the people and resources we need to start a “Schools for Parents” project in the public schools, to teach parents values and tools to raise their kids in a loving and God-fearing way, as well as to share the Gospel with them.
- ▶ For the Lord to provide more partners before 2019 ends so that we can raise the remaining 15% on monthly support for our family and ministry needs; as well as monthly funds for Cru Costa Rica to operate and to execute the evangelistic and discipleship projects we have.
- ▶ For blessings upon all of our ministry partners.
- ▶ For renewed strength and encouragement as we continue serving the Lord

Thank you so much for your partnership and your prayers!

In His love,
Carlos & Tatiana Tenorio
