

It was just a few weeks ago we sent out our July (really June and July) update, and here we are in the second week of August back again. In our last newsletter we asked for prayer as we began pursuing our Visas into the UK. Our Visa appointments went smoothly and we were able to enjoy a few sights in Rome while we were there.

The entire process has taken less time than expected and this last Sunday we spoke in front of our Church and updated them on what God has been doing. I'm going to let the video do the rest of the updating....

God has accomplished more than we could have imagined these last three years through your faithful prayers and support and we are grateful that you have chosen to journey with us. We are asking for your continued prayers as we begin this transition. We are praying against the enemy as we have already begun to feel the opposition. Please pray that our hearts and minds are continually focused on Christ, even during the difficult times. We ask that you pray over GLACE Community Church Vicenza and the members, pray they will embrace the leadership that God has put in place here, and continue to engage and participate in all that God is continuing to do here in Vicenza. We ask for prayers over Chris and Kristan as they take on the full weight of GLACE, may the yoke be light with God's provision and strength. Thank you for continuing to walk with us as God continues to go before us.
