

# November Update

*"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now."*  
Philippians 1:3-5

Dear friends,

We have much to be thankful for this month! First of all, we thank each of you who gave so generously during the month of October for our "Together For Change" campaign. If you haven't given yet, you didn't miss your chance! We are still \$12,760 away from meeting our goal! The Tuesday after Thanksgiving, we will have a one day fundraising campaign as we celebrate Giving Tuesday...the most generous day of the year! We hope you will help us spread the word! Contact [Danielle](#) if you would like to join our Giving Tuesday fundraising team!

We are also incredibly grateful that we get a front row seat to lives being changed right before our very eyes! One of the boys just graduated from the New Dawn program and we joined other residents and graduates in cheering him on into this next phase. We saw one of the women who has been working so hard at the Lighthouse Resource Center move into the final level of the program. It truly is a miracle to see the healing that has happened from a traumatic past as she chooses to move closer to God and forward in her life. We also saw many women gathered for our monthly Free The Girls meeting to talk about their health and take ownership of their own well-being. For many survivors, this is a big step and worthy of celebration!

Finally, we are giving thanks this month as our family (the Snyders) celebrate 12 years of ministry in El Salvador! We are incredibly grateful for those of you who have partnered with us since the beginning, and those of you who have joined us along the way. We are so thankful for our wonderful team here in El Salvador and all of our financial and prayer partners around the world! We are surely counting all of you among our many blessings! Your prayers and giving sustain our work throughout the year and we appreciate your partnership!

***We wish you and your families a very happy Thanksgiving as you gather to count your own blessings this month!***

Together for Change,  
Jon and Danielle Snyder

## Pray with Us!

We thank you for praying for our work! Please join us this month in praying for the following requests:

- For all necessary funds to come in so that we can start next year strong in all of our programs, and launch the Change Therapy and Training Center strong too!
- For our most recent New Dawn graduate as he moves into the follow up phase, and for the residents who are still working through the program.
- For our clients who are continuing to do the work necessary to heal and grow through the Lighthouse Resource Center.
- For all of our staff as they continue to coach, disciple, and care for everyone who comes through our doors.
- For safety and protection for all of our staff and clients as a recent wave in violence is affecting the country.
- For three of our directors (Jon, Patty, and Christopher) who are in Mexico City this week participating in a training with the Centros de Integración Juvenil (Youth Integration Centers) to visit and learn about treatment centers in Mexico. They are representing MTES and participating along with the Anti-Drug Commission of El Salvador. Pray for a great time of learning and growth as they look for ways to strengthen our work.

Thank you for praying!
