Ministry to First Responders and Their Families

Serving Those Who Serve Us

Ministry Impact

An update on the Littleton Officer that was shot last month: Just three weeks after being rushed to the ER, after several surgeries, the Officer was released to continue his rehab at home. This is an amazing development as his injuries were significant and he is recovering faster than anyone anticipated.

This has been an amazingly busy season of ministry. Almost every week since February we have had a critical incident that RMPC or I personally have responded to. Thank you for your continued prayers and encouragement.

We held a Chaplain safety training earlier this month to enhance the skills and awareness of chaplains while on ride a longs with their agencies. We received a resounding thank you from everyone that attended. We hope to provide more

Family Highlights

- Brandi and I celebrated our 22 year anniversary and 25 years together
- Jordan is applying for jobs for after graduation, only 2 months away
- Alexis was accepted into the direct admit program for nursing
- Katelyn was accepted into college; awaiting additional school responses
- Jonathan began working at Chick-fil-A
- Addison continues to advance in her homeschooling

Thank you to those who responded to our request to increase your support and further the ministry impact. We are now at 84% and are still in need of \$1,000/mo to be fully funded.

We will host a Basic Chaplain training in November. This is where many of our new or soon to be chaplains receive training on how to be the most effective

Mountain Region.

RMPC participated in the Hero Fest to honor our emergency responders and engage with the community.

We also had the opportunity to share about chaplaincy with many agencies across the Rocky Mountain region at the FBI Command College.

Lastly, we have launched the [Rocky Mountain Fire Chaplains Website](#) and [Facebook Page](#). Check them out and share with others.

ROCKY MOUNTAIN POLICE CHAPLAINS

If you want to get caught up on on that has been going on with RMPC, [here is a link to our RMPC News Updates](#). There are a lot of great things happening!
