Four Rivers Consultation

After decades of work among the "Mountain People" of southwest China, much has been accomplished! This week 80 individuals, representing more than 30 partner churches and organizations, including international workers, will convene in Denver to celebrate what God has done, to pray, and to interact together about future gospel impact opportunities.

Would you pray with us that:

1. God will be glorified in our praises for the young Church that has been planted among the "Mountain People";
2. God will give unity among this network of passionate participants who are eager to see the developing Church grow deep roots among this people;
3. God will give the participants vision for future ministry endeavors in the midst of China's tightening restraints upon Christian work;
4. And in all this, that the Church will flourish to be viable and reproducing, planted across a wide spectrum of the "Mountain People" population...

Thank you for taking time to pray for the meetings held from Tuesday, 25th to Thursday, 27th!

You may remember that Harold and I visited this people group in 2013. (See photo below of a "Mountain People" house church meeting that we attended.)

Also, Harold wrote his Master's thesis on this unreached people group in 2017.

Thank you for your generous prayer and financial support that keep us active in the work of sending workers and engaging churches!

Harold and Gwen

And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

Matthew 24:14
